

We are standing up to peer pressure

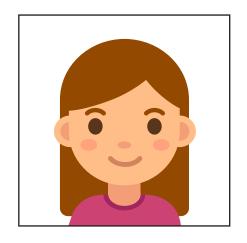

QuickSnap mishap

I sent a QuickSnap
picture to Jaz last night. I don't
know who made it but it was
hilarious! Jaz didn't reply which is
pretty annoying. She's supposed
to be my best friend. What's the
matter with her?

QuickSnap mishap

Ruby was really weird at school today. She wouldn't talk to me and had lunch with other girls in our class. She told me it wasn't fair that I didn't respond to the QuickSnap because we were best friends.

Jaz's Foster Dad

In our house, we switch off all our devices by 8pm. It's our family rule. We all do it.

We don't have any rules for the use of devices in our house.
