Scenario cards

Joe needs some new brake pads for his bike. He has found a link on a site that says he can make money quickly and easily.

Owen is using the school tablets. He sees an inappropriate image and starts to laugh. Everyone else in class wants to know what is making him laugh.

Yushi's friends have been talking about a new game they are playing. The rating is 18+ but it must be OK if her friends are playing it.

Bakari is at Ben's house. One of their friends sends Ben an image of their teacher with some unkind words on it. Ben thinks it's funny. Bakari feels uncomfortable.

Grace thinks an easy way to manage her passwords is to make them all the same.

Amber's mum and dad play a scary video game. Amber has bad dreams about it but she likes seeing her mum and dad having fun.

It's 'bring a game from home' day at school! Louis decides to bring in his handheld console and play video games all day.

Arisha's grandmother would like Arisha to upload some photos onto Facebook because she finds it difficult. Arisha isn't allowed to see Facebook at home but wants to help her grandmother.
