## Searching statements

Cut out the words that will help you to search safely.

Stick them on a new sheet of paper.

Give the sheet a title: **Top tips for safe searching.**

<b>Write sentences in the search box.</b>	<b>Write keywords in the search box.</b>
<b>Add as much detail as possible.</b>	<b>Check your spelling.</b>
<b>Click on the first link you see.</b>	<b>Read the information under the links.</b>
<b>Don't look at the information under the link.</b>	<b>Be precise.</b>
<b>Ignore anything that upsets you.</b>	<b>Tell a trusted adult if you see something that worries you.</b>
