The recommended number of hours spent on teaching in the normal school week is 21 hours per week at KS1 and 23.5 hours per week at KS2 (DFE circular 7/90) At LCP our timetable allows for 22.5 hours at KS1 and 23.75 at KS2

Playtime in the afternoon is for KS1 only. KS2 can have a break or not as appropriate and it can take the form of a 5 minute classroom time or the class teacher can take them outside.

PE, ICT and PSHE are all normally taught weekly but other subjects are often blocked and taught over a one week or two week period. However, recommended times for the coverage of separate subjects are carefully considered when planning for the term
