Mr A Terry
Head of School

TUESDAY 15TH May 2018

Welcome to the summer term and hopefully with it comes the warm and sunny weather. This is the term that we always ask that your children bring in a hat and have sun cream applied before they come to school.

As always, there is a great deal going on during this term with the Y5 and Y6 residentials, class trips, SATs, sports days and the summer fayre to name a few. However, the most significant event this term is the news that we are going to have a new YF building. Our old Horsa hut is going to be replaced with a new building and work is going to start during this coming half term. As a result of this work, we will need to reroute our way into school for those who walk via the steps. We will send a letter out to you next week to outline the plans for the coming half term.

The Horsa hut has been part of our school for a very long time and it has served many pupils throughout its time. However, it has had its day and we look forward to having a very new building in the autumn term.

Key Stage 1 News

Year 1 and Year 2's Trip to Cardinham Woods

This week Year 1 and Year 2 went to Cardinham Woods to take part in Wild Tribe Forest School activities that were linked to our topic work for this half-term which is 'Walking in Windmill Woods'. We took part in a number of activities that focused on enhancing our scientific knowledge

about plants and animals ... as well as having great fun too! We were able to develop our observational skills whilst on a nature walk and when bug hunting. We also made dens, played in the mud kitchen, developed our survival skills by learning about how to safely light a camp fire and enjoyed toasting marshmallows. Thank you to our Badger Forest School leaders and to all the parent helpers who enabled us to have such a great day.

Key dates

A new KS1 diary dates list will be sent home very soon. Sorry for the delay but due to Mrs Bassett breaking her wrist it has taken a lot longer than usual!

Please ensure that **Year 2** pupils are in school for the **month of May** as this is when they will be completing their special work.

Please also ensure **Year 1** pupils are in school during the **week beginning the 11th June** as this is the week that they will be completing their Phonics Screening Check. This also applies to any pupils in Year 2 who did not take or did not pass when they were in Year 1.

Key Stage 2 News

Year 3's Exeter Excursion

As a hook for their new topic this term, Year 3 visited Exeter where they ventured into the underground passages, saw Roman remains and toured the cathedral. Beginning the day at the passages, the children put on their hard hats before walking deep beneath the streets of Exeter, learning about the various uses throughout their history. They then walked to the old Roman city walls and on to Exeter Cathedral where they had a well-deserved lunch. Recharged, they set off in groups around the cathedral with a quiz and things to discover before returning to school for the end of the day. Year 3 have already put some of their new learning and discoveries to good use back in class in their English, History and RE sessions. A great day out!

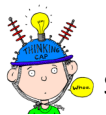

Year 3's Multicultural Day

On Tuesday 27th March, Year 3 enjoyed a range of activities based on some of our multicultural learning from the spring term. Throughout the day the children took part in food tasting linked to our multicultural stories in English, the art of rangoli patterns outside with coloured chalks, some French music using the cellos and a Cornish song and dance. They also created some paper multicultural dolls independently and learned a song singing hello in a variety of languages. A big thank you to Mrs Gilbert who came to join us in the morning for our music, not to mention all the people who came to our drop in at the end of the day to see what the children had created.

KS2 SATs

SATs week has now arrived! You have all been working SO hard to prepare for them. Keep up the good work....continue to work hard for a short while longer and then we can enjoy the rest of the Summer. Revise well, think carefully and do the very best that you can.

GOOD LUCK TO EVERY ONE OF YOU.

Y5 Cricket Maths

Last week, Year five were very lucky to have Mr Glenn come into class to help us with some maths learning in the context of cricket. We gemmed up on lots of mental maths, including prime numbers, percentages, multiplication and division.. Can you put your skills to the test?

Gemma wants to buy a cricket bat that normally costs £180.00. It has a 30% reduction in the sale. How much will she now need to pay?
