

# London Residential

2017

## **Position**

Thameside is situated on the South East side of the main centre of London approx 1 mile from Tower Bridge. We will be travelling by coach at all times.

## **Thameside Youth Hostel**

The hostel has 24 hour access but the front door is always locked and CCTV is used to view anyone entering or leaving the building. There are 25 CCTV cameras in all and there is a fully trained security guard who patrols from 5pm until 7am. The children and staff sleeping accommodation are all en-suite and will be on one wing of the 1st floor. All the windows have safety catches and only open a few inches. All bedrooms lock from the inside but Mr Terry will have a master key. Breakfast and evening meals will be served in the hostel dining room and there will be packed lunches available for outings.

## **FOOD**

All meals during the week will be provided by the Youth Hostel as part of the package, with the exception of lunch on the first day. Vegetarians will be catered for providing there is prior notice of requirements. All drinks are provided, though please supply any special drink requirements yourself.

## **MEDICINES**

Would you please ensure that all medicines are handed to Mrs Clark before departure, clearly labelled with name and instructions for use. If a child is expected to manage their own medicine, as in the case of asthma inhalers, then this will be placed in their care on arrival at the Youth Hostel. Please ensure details of medical conditions and medicines are recorded on the Consent Form for the visit

## **EMERGENCY TELEPHONE**

If you need to contact the Youth Hostel for any reason please use this number: 08707706010 and ask to speak to Mr Terry in the first instance. Please do not ask to speak to your child before speaking to Mr Terry.

Please note that although this has never happened in the past and we don't anticipate it happening on this visit, if any child displays behaviour that Mr Terry feels is inappropriate they will be excluded from the site and sent home immediately.

## Guidelines for kit list

We will be going out at every opportunity, even if it is damp. Please make sure your child has:
