Mr A Terry  
Head of School

**Monday 1st October 2018**

Hello to you all and welcome back to the new term, 2018-19. I hope you all had an enjoyable summer. The weather was beautiful so I hope you all managed to enjoy it. I would especially like to welcome our new parents and pupils in YF. It is always a very special occasion when your child starts school for the first time and we will do our best in making it a positive and rewarding experience for you all. I also extend a warm welcome to our new parents and pupils who have joined us in other classes.

Unfortunately, as I wrote in a letter earlier in the term, the new YF building continues to frustrate us all. Just when you think there is positive news and are looking forward to the work starting, up comes another delay. I do thank you all for your continued patience and I will update you as soon as I know anything else.

I would now just like to wish you all a pleasant academic year and we, as a staff, are all looking forward to working with each and everyone of you again. Thank you.

## **Parking and approaching the school in cars.**

Please can we once again, remind everyone to park considerately at all times. If you bring children to breakfast club, please leave your car in a parking space and take them to the door. Parking on site (other than for bringing children to breakfast club or collecting from an after school club) is strictly for staff and people with school parking permits. These permits are for Blue Badge holders or anyone who has a letter from a recognised medical professional stating they have a medical condition. Please respect these rules at all times to help us keep a safe site. Parking permits are available for The Cattle Market or The Leisure Centre. Please call at the office to receive one. These are free.

We have also had some reports of some cars driving fast on Bounsall's Lane and Windmill Hill. I know it might not be anyone connected with our school, but can we just politely remind everyone to be very aware of driving carefully on the approach roads to the school. There are a large number of our pupils who walk to school and have to use these roads in order to get to school. Thank you.

## **Do you have a child who was born between 1st September 2014 and 31<sup>st</sup> August 2015?**

If so, you must now apply for a school place for him/her for September 2019. If you have a child born between the above dates, you must submit an online application ([www.cornwall.gov.uk/admissions](http://www.cornwall.gov.uk/admissions)). If you do not have internet access, please call in at the school office for further information. A formal application through Cornwall Council must be made by parents for all places for children due to start school in September 2018. The deadline for applications is 15th January 2019.

**Year 6 – secondary transfer:** All Year 6 parents should have received a communication regarding transfer to secondary school and details of the application process. If any Year 6 parents have not received this, please let us know. It is very important that you now deal with the application for your child and it is in your child's best interest that you do not delay doing this. If anyone does not have internet access or has any queries about the process, please contact the office. The deadline for applications is 31st October 2018

**Please subscribe for newsletter on the front page of the school website to get newsletters automatically**

## Visible Learning at Windmill Hill Academy

At Windmill Hill Academy, we are working towards becoming a Visible Learning School. The Visible Learning development model is based upon the principles developed by John Hattie's research. Pupils take ownership of their own learning. They know where they are within the curriculum and what their next steps are. Using their goals grids, they can track their own progress. The pupils know what to do when they come across something they don't know and have strategies to progress with their learning. Pupils seek feedback and respond to it, and more importantly they give feedback to staff about their teaching.

Pupils are active in their learning and are assessment capable. Assessment Capable Learners can ask and find the answer to: Where am I going? How am I going to get there? Where to next? Pupils can employ a range of meta-cognitive strategies developed through a shared language of learning. Pupils see learning as hard work, have a 'can do' approach and a desire to succeed. Through the introduction of Visible Learning, we encourage children to really challenge themselves. Each class, has a 'learning pit' that the pupils use when they find the learning difficult and challenging. The children often put themselves in to the pit, and work on strategies and skills to assist in their learning in order to achieve their learning intention and success criteria. We encourage the children to place themselves in the pit as this is where learning is at its best.

Visible learners are able to

- ⇒ Understand their learning intentions
- ⇒ Know and are challenged by the success criteria
- ⇒ Develop a range of learning strategies

## Year 4 meet the Duke of Kent

On Tuesday 18<sup>th</sup> September, some of our Year Four pupils were invited to meet the Duke of Kent, at 'Cyprus Well' (Charles Causley's House). The pupils invited had all entered the Charles Causley poetry competition - 'Cornish Countryside'. They had the opportunity to meet the Duke and listen to poems performed by other poets. One of our pupils, Maya, was then chosen to read her poem to the Duke. All the pupils had a thoroughly enjoyable time.

The Charles Causley Trust are holding a Charles Causley event as part of National Poetry Day on Thursday 4<sup>th</sup> October and all of the pupils have been invited to go to.

## Windmill Breakfast Club here at Windmill Hill Academy

If you need childcare for work commitments or other early appointments before the school day commences, why not drop off your child/children to us where they will be able to enjoy a healthy breakfast while socialising with other children in the care of fully qualified staff. If your child has already eaten breakfast, they can still attend.

There are lots of games and activities to do. Why not come along and see for yourself?

Parents and Carers are very welcome to attend with their child(ren)

If you haven't tried the club before, we can accommodate your children. We have spaces available. Please contact the office staff who will put you in touch with Mrs Williams or Mrs Rutherford. Prices are still £2.30 per child per session which includes breakfast if required. We open at 8am

### No Toys in School Please

We are asking that no toys be brought into school from home. Our classroom is filled with items to keep us busy, and lost or broken toys result in very sad feelings! Special items may be brought to share, but they are kept in a safe place until the end of the day!

### Contact details

Later in the term we will be sending out pupil data checking sheets but in the meantime, if there are changes to your mobile number, email address or anything else, please send a written note of the change into the office. Thank you.
