Mr A Terry  
Head of School

**Wednesday 31st January**

Dear Parents/Carers,

A rather belated but warm welcome back to you all and a Happy New Year for 2018. It has, once again, been a very wet start to the year but hopefully the weather will begin to improve as we look towards the spring.

The newsletter is packed with information so I am going to keep my bit short (hooray, I hear you shout) but please take the time to read through and enjoy the following pages. There is however, an important message on page two of the newsletter (Action Fraud Alert) so please make sure you have a look at it.

Thank you.

Dear Parents,

Due to the current growth expectations of An Daras MAT, we are restructuring our leadership arrangements to ensure we have additional improvement capacity to support both our existing schools and any new schools joining An Daras. Therefore, Mrs Deborah Saunders will be leaving the post of Head of School at St Stephens Academy directly after half term to take up a newly created leadership and Improvement Officer role based at Windmill Hill Academy.

Mrs Saunders will also be taking on the role of Y3 teacher for the mornings at Windmill Hill and Mrs Jo Charret-Dykes will take on the afternoon teaching role.

Whilst the recruitment process for a new Head of School at St Stephens gets underway Mrs Hooper, Ms Neale and I will provide daily leadership for the school until a substantive appointment is made.

Yours sincerely

W. Hermon  
CEO/ADMAT

## Payment Diversion Fraud

The purpose of this alert is to provide knowledge and prevention advice to schools and parents of students in order to prevent them from falling victim to payment diversion fraud – a fraud that involves falsely creating or diverting payments.

### ALERT CONTENT

**Payment Diversion Fraud** Fraudsters are placing themselves in the middle of transactions between parents and private schools. The fraudster contacts the parents outlining details and payment instructions for the latest school fees. Initial contact appears to primarily be made via email and often from the school's own compromised email system. However the NFIB has also seen instances where the email address used is similar to that of the school (i.e. nn instead of an m). The victim then makes the required payment into the bank account which is in the control of the fraudster. By the time the fraud has been identified, the funds have already been dissipated. In several instances there has been a strong social engineering element at play within the email, with the fraudster suggesting a discount on the fees can be obtained if the parents pay early.

### PROTECTION / PREVENTION ADVICE

**Parents** Always verify email payment changes in respect of payment fees with the school directly using established contact details you have on file, especially for ones which are not expected or for a different amount than expected. Always review requests to changes for payment requests. Check for inconsistencies or grammatical errors, such as a misspelt school name or a slightly different email address. Don't be afraid to verify details when being asked to make fee payments into a new bank account.

## Evidence of a dinosaur in Year 2!

The Year 2s had a shock when they came into their classroom on Tuesday 8th January to find they couldn't enter it as 'no entry' tape was covering the door, an alarm was sounding and there were tables and chairs knocked over! When Mrs Bassett had checked it was safe, the pupils were allowed to enter. Upon entering, they soon realised that there was evidence that a dinosaur had been in the classroom. This included dinosaur footprints and there was even a nest with an egg inside. The pupils soon turned into detectives and went on a mission to work out what had happened, to predict what type of dinosaur they thought had entered the classroom and what type of dinosaur was in the egg. Many thought it was a Tyrannosaurus Rex in the egg but when it hatched, which was the following morning, they found out it was actually a Duckbill Dinosaur. They soon realised that the day's events all linked to their focus story, 'Tyrannosaurus Drip'.

## 'Wheely' good science in Year F!

Year F have been learning all about wheels and what they are used for. As part of their topic, they have been exploring different aspects of science linked to transport. This included: making cars move using magnets, testing surfaces to see which is best to use for a ramp and designing and making their own boats and testing to see if they float!

## Launceston Foodbank

Thank you to everyone who donated to the food bank before Christmas.

Mrs Whybrow received a letter from the manager of the foodbank saying how overwhelmed they were by Windmill Hill's generosity. They said that they had enjoyed their visit to school, had found the children very enthusiastic and that they had asked really informative questions. They have also invited members of the School Council to take a tour of the foodbank to see the work that they do.

So thank you once again.

## Year 3

Since the start of 2018, year 3 having been busy getting back into the learning routine. The children have been using their vivid imaginations to create their own stories set in an imaginary world. In Maths the children have tackled the times table challenge, learning times tables up to 8 times and even testing their skills against Mr Horn ... the children won too!

$$3 \times 8 = 24$$

$$6 \times 8 = 48$$

A Very Happy New Year to all our readers from KS2

## The Wonderful Wizard Of Oz

there's no  
place like  
home  

A huge congratulations to EVERYONE in KS2! Your Christmas production was amazing.

On Wednesday 13th December we all went to the Town Hall to put on our Christmas Production. We had all been learning songs, practising our lines, and rehearsing our dances and actions for weeks. Finally the big day had arrived. We put on three performances on this special day. The first was to KS1 in the morning which was like our final dress rehearsal. Then at 2.30 and again at 6pm we thrilled our audiences of parents, grandparents, aunts, uncles and friends. The hall was PACKED and everyone did their best and we thoroughly enjoyed ourselves. We have had amazing reviews and wonderful comments that have made us feel very proud of ourselves. It worked well giving main characters a double, in case of illness, but it also allowed more people a chance to take on a leading role.

*Here are a few quotes from Y6:*

"I loved the songs and seeing everyone take part. I enjoyed my part (Glinda) and walking around in a big pink dress and tiara!" Olivia.

"It was a wonderful experience. I loved the songs and dances." Jasmine.

"I enjoyed being a stage-hand backstage" Davion.

"I enjoyed being the Scarecrow but I was also scared going on stage!" Thomas.

"I thought that it was fun, and a great experience." Hester (Tin-man).

"It was a lot of fun and boosted my confidence." Eimija (Dorothy)

"I really loved the performance, especially the green lights on the witch— it looked amazing. I really loved taking part." Nikola.

So, finally, in the words of Klaudia — "The play was GREAT, we all loved the songs and the acting, I really enjoyed it all! **In fact the Wonderful Wizard of Oz truly was WONDERFUL!"**

### Valentine's Disco February

**23rd February**

**KS1 3.30 - 4.30**

**KS2 5.30 - 6.30**

Chris Brown (Disco man) will be the DJ again for us as he is so brilliant and the children really enjoy his discos. Drinks and sweets will be available during the disco. The theme will be Valentines so hearts, sparkles, red etc. would suit the theme very well. KS1 children can bring their party clothes into school in the morning and get dressed at the end of the day. Please bring money in a marked envelope. KS2 will come dressed in the evening and bring their money with them. £1 entry

### Bag 2 School

There will be a collection of clothes, shoes, bedding, curtains and lots more, on 27th February and bags will be distributed at the end of January. Please continue to use this scheme as it is a very worthwhile cause to both us and the countries that benefit from affordable clothing. Please look at [uk.bag2school.com](http://uk.bag2school.com) for more details on items for collection.

### Easter Egg Bingo

We will be holding an Easter Egg Bingo on Friday 23rd March at 5.30 in the school hall. This event is open to children (accompanied by an adult) and adults from the school and community. The prizes will be Easter eggs for a line, two lines and a full house. There will also be a raffle and refreshments during the interval. More information on the next newsletter.

### Non School Uniform Day

Friday 16th March will be a non school uniform day. Children will be able to come into school on that day in 'mufti' in exchange for an Easter Egg. The Easter eggs will then be used as prizes for the Easter Bingo the following week.
