

## SWITCHED SAN Online Safety

## We are online safety problem solvers

## **Scenario 2**

Alisha and her friends are making a video to put online. She films them leaving her house and heading to the skate park. The park is busy. There are a couple of other people filming today. It's always like that.

## **Scenario 3**

Miss Taylor has received a pop-up message in an app from a company asking for a review for a recently purchased product. She has recently bought something but has never been asked for a review before.
