Consultation on the Extension of An Daras Multi Academy Trust

The An Daras MAT Trust in Launceston currently consists of two schools; St Stephens Community Academy and Windmill Hill Academy and was established on 1st January 2014.

The Directors of An Daras, along with the Local Governing Bodies at St Stephens Community Academy and Windmill Hill Academy are considering a possible decision to apply to The Department for Education to extend the number of local schools forming the Multi Academy Trust.

The extension proposal would mean St Catherines Primary School and the Federation of North Petherwin and Werrington Primary Schools becoming full partners in the An Daras MAT. Further details about the proposed changes can be accessed on the An Daras MAT website, the St Stephens Community Academy website and the Windmill Hill Academy website.

The An Daras consultation on possible extension in size starts on **Thursday 18th June** and ends on **Thursday 16th July**. There will be an open meeting held as part of the consultation process on **Monday 29th June** from **2.45pm** in the main hall at St Stephens Community Academy with Mr W. T. Hermon (MAT Executive Head Teacher). Please email Mrs Kirsty Fisher, on ststephens@andaras.org confirming you would like to attend the meeting.

If you are unable to attend but wish to comment on the proposal, it would still be valuable for the consultation to receive email correspondence regarding the application. All opinions are useful for the final decision making process.

It is important that all members of the local community have the opportunity to give us their views, hence the consultation process. We look forward to hearing from you.

Yours sincerely

Mr W. T. Hermon
