

## Windmill Hill Academy Home Learning Menu: Year One

Summer 2 2023 - Culture - Where does the land meets the sea?

**Learning Activities:** Your child has the opportunity to complete activities linked to their current learning concept. Below is a menu for them to choose from. They may choose as few or as many as they wish to complete. If you do complete any of the project activities this half term, please can your child bring them in on **Tuesday 11<sup>th</sup> July**. Work/photos can be stuck into books (if they fit) but, if not, they can be brought in separately. The following activities are mostly linked to our 'Culture' Learning Concept about the Seaside. Please also see the Parent Overview sheet for additional information and activities that you can also choose from to support their learning.

Please also note that you can send photos of their home learning to their pupil portfolios on Class Dojo.
