

Autumn 1: Home Learning

Each week you will have a set piece of homework in English, Maths and one other subject area. You are expected to also continue with your daily reading, multiplication, division and spelling practice. Students will be provided with a home learning book. These are to be handed into the teacher every **Thursday** in order to be assessed. Students will then be given back their home learning books on the **Friday**. The homework set is designed to **support** your child's current learning in class.

Week	English	Maths	Other Subject Areas	Spellings: Tested Every Friday.	Completed
1					
2	Create a poster that will persuade children to join Windmill Hill Academy.	When I add hundreds to a number, only the hundreds column will change! Do you agree? Explain your answer.	History: find me two historic facts about your local area.	Daily practice from the assigned list. List Number ____
