## **Commentary on Results:**

- Teacher Assessment outcomes at the end of KS1 (Year 2) are informed by the results of the nonstatutory English reading, Spelling, Punctuation and Grammar and mathematics tests.
- These statistics cover the attainment of Year 6 pupils who took assessments in Summer 2024. These pupils experienced disruption to their learning during the pandemic, particularly at the end of Year 2 and in Year 3.
- There will be no progress measures from KS1 to KS2 due to the pandemic (no published data) when Year 6 were in Year 2.
- Year 6 cohort:
  - Made up of 28 pupils 61% boys and 39% girls
  - 28% of pupils were inwardly mobile (high level of need)
  - 7% of pupils with English as an additional language
  - High level of need with 11% on SEND Support
  - 32% of pupils in receipt of PPG
  - Year 6 Teacher absent for a prolonged period

## **Next Steps for the Academy:**

Implement the learning improvement priorities detailed in the Academy Improvement Plan 2024 to improve attainment and progress. Summary below:

## **Priority A:** Learning Standards

- A1. Further embed children's knowledge and understanding of the curriculum through metacognition using Visible Learning strategies and introducing the Thinking Matters approach.
- A2. Improve achievement in Maths, particularly for vulnerable groups including disadvantaged, SEND and EAL, in line with current guidance and evidence-based CPD.
