

PE and School Sport Action Plan

Windmill Hill Academy School 2021–2022

Background - The primary school sport premium investment goes direct to primary school Head Teachers and is designed to support improvements in the quality and depth of PE and school sport. In 2017/18 the amount schools receive each year has doubled.

Key Indicators - The Department for Education vision is that all pupils leaving primary school are physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport. The objective is to achieve self-sustaining improvement in the quality of PE and sport that delivers high quality provision of a balanced and holistic PE and school sport offer. There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Funding - Individual schools will receive circa £16k-£17k per annum (depending on the number of pupils) which they can use to support these outcomes through various options including; release of staff for CPD, employing specialists to work alongside teachers, cluster work with other schools and partnerships, transport, equipment, hall and pool hire etc.

The total funding for the academic year	2021/22	Funding allocated - £16K + £10 per pupil
Lead Member of Staff – Joshua Bullock	2021/22	
Total fund allocated	£17,650	

Key achievements to date:

- Purchase of equipment to ensure a varied curriculum. To introduce a variety of programmes to increase the number of children active for 30 active minutes. E.g. mile a day, wake and shake and exercise programmes led by KS2.
- To continue to develop intra house sports in lunch times.
- To upskill key members of staff within the school to increase knowledge and understanding in the delivery of PE school sport and physical activity.
- To upskill pupil leaders within the school to promote health and well-being.
- To attend more competitions provided within the county sport partnerships.
- To extend the provision at break- times and lunchtimes for more structured play.
- To upskill staff in the teaching of outdoor learning through the wild tribe programme.
- To introduce the wild tribe explorers programme to target children with low self -confidence and low self -esteem.
- To introduce the Absolute Education programme to support the monitoring of participation in clubs and competition.
- To continue to develop cricket Brenden Worth cricket coaching and improve links with local clubs.

Areas for further improvement and baseline evidence of need:

- To upskill staff in the teaching of dance and gymnastics.
- To introduce alternative sports days and a health and well- being day to raise the profile of health and well -being.
- To introduce sugarsmart leaders and sugarsmart minis programme.
- To access the cpd and training programme through Arena membership.
- To continue the intra sport competitions and the inter school competitions.
- To introduce cricket at KS1.
- To utilise a specialist coach to deliver curriculum support and after school clubs.

Key Indicator 1 : The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school

Intended Actions with impact on children	Funding allocated	Evidence and impact	Sustainability and next steps
Absolute Education	£270	Able to accurately see which children in school are physically active on a regular basis.	Able to effectively spot target children, who need to be given an opportunity to develop love and enjoyment for a sport.
Develop a 30 minute timetable to include all activities which are delivered by playground leaders.	Through sports leader training	Active timetable being developed in conjunction with playground leaders and the morning exercise program.	Playground leaders manage equipment and organise the active timetable. The sports council is used to review this system periodically. Children in KS2 will be trained and will be able to lead activities at lunchtime when COVID-19 restrictions have eased.
Health and well-being day to be carried out to improve children's knowledge of how to be healthy.	£375	Children will have a discussion with PE lead and will highlight ways in which healthy eating and living can be spread around the school.	Children to give presentations to other classes to help them understand how to improve their health and well-being.
Sugar smart leaders	£260		

Wild tribe skills achievement award	£120		
-------------------------------------	------	--	--

Key Indicator 2 : The profile of PE and sport being raised across the school as a tool for whole school improvement

Intended Actions with impact on children	Funding allocated	Evidence and impact	Sustainability and next steps
To develop healthy school and playground section of the Pupil Parliament	N/A	28 students are members of Pupil parliament. Pupils being given the opportunity to make key decisions about PE and School Sport within the school which has raised the profile of PE and school sport. Also, to raise the awareness of our school being a healthy school.	Continue to develop and extend opportunities for the sports council to shape whole school PE.

---	--	---	---

Key Indicator 5 : Increased participation in competitive sport

Intended Actions with impact on children	Funding allocated	Evidence and impact	Sustainability and next steps
Use specialist PE teacher to co-ordinate inter school competitions locally.	Within PE salary above	KS2 have had the opportunity to play intra school sports.	Combine lunchtime competitions with playground leaders and

Taking part in 8 competitions at Launceston College.	£200	Children in Year 5 and 6 will be competing in regular competitions.	alternative sports opportunities. Run every term. Children will be able to gain confidence and share their experiences in assemblies.
Meeting national curriculum requirements for swimming and water safety			Please complete all of the below:
What percentage of your Year 6 pupils could swim competently, confidently and proficiently over a distance of at least 25 metres when they left your primary school at the end of last academic year?			
What percentage of your Year 6 pupils could use a range of strokes effectively [for example, front crawl, backstroke and breaststroke] when they left your primary school at the end of last academic year?			
What percentage of your Year 6 pupils could perform safe self-rescue in different water-based situations when they left your primary school at the end of last academic year?			
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?			

Total funding - £17,650

Total funding allocated to date – £8,393

Total funding to be allocated - £9257
