

Year 3 and 4 spellings.

Each week the children will be tested on the spelling list they are on.

The children will all start on spelling list 1, and when they get all of the spellings correct they will move onto list 2, and so on.

5 words from each list are repeated on the next list to make sure that the children retain the spelling in their memory.

So you are aware of which list your child needs to practice, we will write on their Homework Activity Sheet which list they need to revise for that week.

This list will also be printed and stuck in their home learning books.
