

Windmill Hill Academy Homework Menu: Year Two Explorers

Learning Activities

Your child has the opportunity to complete activities linked to their current learning, if they wish. Below is a menu for them to choose from. They may choose as few or as many as they want to complete. If they do complete any of the project activities this half term,

I enjoy...	Level of difficulty			
	Easiest			Hardest
I enjoy Maths. LI: To explore ways of finding fractions of amounts. LI: To be able to tell the time to the nearest 5 minutes. LI: To explore ways of adding two 2 digit numbers.	Practise 2,5 and 10 times tables.	Telling the time the nearest 5 minutes.	Consolidation of: $\frac{1}{4}$ $\frac{1}{2}$ $\frac{3}{4}$.	Practise two 2-digit number addition, with answers under 100. $23+42 =$ $3+2 = 5$ $20+40 = 60$ 65
I enjoy writing. LI: To write in accurately punctuated sentences.	Write a short description of the adventures of Ranulph Fiennes/ Amy Johnson.	Create an information poster about Antarctica.	Create an equipment list you'd take to the Antarctic.	Create a fact file on some of the animals that live on the North and South Poles.
I enjoy painting, drawing & visualising. LI: To include increasing detail and accuracy when drawing and painting	Create a piece of expressive art to portray how these adventures would be feeling after completing their challenges.	Draw/paint/collage Mount Everest.	Design an iglu that could be used at the poles.	Design an outfit an Arctic explorer might wear.
I enjoy hands on activities. LI: To explore how to join / attach different types of materials together.	Use clay to make an iglu.	Make a poster to help spread awareness of the issues with melting ice caps.		
Alternatively, something of your own choice- be creative!
