

Curriculum Knowledge: School Horizontal Learning Map

School: Windmill Hill Academy

Recommendations:

It is recommended to use Humanities and Creative Subject first as the subjects that make strong connections with other subjects.

Science will be taught through all concepts as it is a core subject.

Always ensure there are strong connections and links between subjects.

At times, there may need to be isolated subjects to ensure coverage e.g. RE, where strong connections cannot be made.

Always ensure you are subject specific with the children e.g. they know it is a geography lesson.

The school decides whether the 'subject concepts' are covered each year or over a two year period within the school vertical progression map. Other 'subject concepts' will be touched upon within a block as part of good quality learning provision.

Whilst a priority capability is chosen, other capabilities will also be touched upon within a block as part of good quality learning provision.

For more detail about knowledge and skills progression, please refer to each subject's knowledge and skills organiser. Please note that SMSC features throughout the provision and within other subjects.

Diversity: we have carefully planned our curriculum to include diversity (gender, disability, BAME – Black, Asian and Minority Ethnic) to ensure it is a diverse and inclusive curriculum. Where there are key links, these are highlighted below in **orange**.

Learning Connection block	Rebellion and Invasion	Natural Elements	Civilisation	Environmental	Discoveries	Culture
Learning Connection Subject(s) Lead	History	Geography	History SMSC	Geography	History	Geography
Time of Year	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Year 1:	Priority Subject History Events beyond living memory that are significant nationally 'Fire! Fire!'	Priority Subject Geography Locational Knowledge Geographical skills and fieldwork	Priority Subject History Significant historical events, people and places in their own locality	Priority Subject Geography Place Knowledge Geographical skills and fieldwork	Priority Subject History Events beyond living memory that are significant globally 'All Aboard!'	Priority Subject Geography Human and physical geography 'Beside the Seaside'
